Powerbank Joyroom JR-L013 Colorful 10000mAh, 12W (White)

Joyroom Powerbank JR-L013 Colorful 10000mAh, 12W (white)

Opt for practical solutions. The Joyroom powerbank from the Colorful series provides a capacity of 10,000 mAh and operates at 12 watts. It features an easy-to-read display that provides information about the battery's charge status. In addition, it offers up to 3 output ports and has a built-in USB-C/Lightning cable that also acts as a lanyard. Thanks to its compact design, you can take it with you anywhere. What's more, the product impresses with its classic white color.

Built-in cable and fast charging

You don't need to buy additional cables to charge your devices with the Joyroom powerbank. The product has a built-in USB-C/Lightning cable, so you can conveniently renew the power of your equipment. The cable can also act as a lanyard, increasing the convenience of use. What's more, the device is equipped with as many as 3 output ports, so it can quickly renew the energy of several equipment at the same time.

Large capacity

The Joyroom powerbank is distinguished by its 10,000 mAh capacity. As a result, it can charge an iPhone 14 Pro about 2.3 times, an iPhone 13 about 2.5 times, and a Samsung S22 about 2 times. It works with a power of up to 12 watts, so it instantly renews the energy of compatible devices.

Refined design

A huge advantage of the Joyroom powerbank is its easy-to-read display, which shows the battery charge level in real time. The product is distinguished by its compact construction and stylish design. What's more, it safely renews the power of connected devices thanks to its upgraded temperature control technology.
