Bicycle Bag Rockbros B70 (black)

Ref: 5905316146228

Rockbros B70 bicycle bag

If you like to listen to music or use navigation while cycling, Rockbros has something for you! This waterproof phone bag will allow you to use your device even in bad weather. The bag is made of high-quality materials, is resistant to wear and tear, and thanks to the use of TPU, you can freely use your smartphone without having to take it out. The bag is suitable for phones with screens up to 6.2 inches and is surprisingly roomy. It has a special canopy to shield the screen from the sun, as well as a cutout for the charging port and headphones. Its installation will not cause you the slightest problem.

Practical protection for your phone

The product is made of high-quality carbon fabric and is scratch- and damage-resistant, and the use of TPU in the screen protector ensures hassle-free operation of the phone. The interior of the bag consists of a double layer of protective sponge and has ventilation holes through which heat is constantly dissipated - so you can use your device for a long time without worrying about overheating. The whole bag is waterproof, and for added security the zipper has been additionally laminated, so you can be sure that no drop of rain will get through!

Details that matter

The bike bag is equipped with a special canopy that shields the screen from the sun. It gives you access to the screen in all conditions. In

addition, a special cutout for headphones or a charging cable will allow you to conveniently use many of the phone's functions - you can, for example, listen to music or talk freely on the phone, without having to take it out of the bag. Also noteworthy are the mounting straps. Three sturdy Velcro straps provide unparalleled stability and allow you to install and remove the bag in no time. The side of the bag features a reflective Rockbros logo.

Pack essential accessories

Travel comfortably and keep your essentials close at hand. The Rockbros B70 bike bag is surprisingly roomy and will fit more than just your phone. Internal nets will keep your items organized and provide quick access to them. Keys, tissues, cable, powerbank and pocket knife - be ready for any circumstance.
