Power Bank Dazzling 22.5W 20000mAh Joyroom JR-QP195 (black)

Power Bank Dazzling 22.5W 20000mAh Joyroom JR-QP195 (black).

Are you often away from home? Do you want your equipment to always be fully charged? The Joyroom powerbank can guarantee you that! The device with a capacity of 20000 mAh can charge up to 3 equipment at the same time. What's more, it will be very easy to transport, as it features a lightweight and slim design.

Fast charging

With the help of Joyroom, your equipment will regain energy in no time. The JR-QP195 powerbank is equipped with fast charging technology. The power of 22.5 watts will recover more than half of the battery in your devices in just 30 minutes. And the battery capacity of 20000 mAh will allow you to charge your devices several times.

Charge several devices simultaneously

The Joyroom device will allow you to charge several devices simultaneously, as it is equipped with 2 input ports and 3 output ports. What's more, it stands out for its high compatibility, as you can connect not only smartphones, but also iPads, headphones or game consoles.

Comfort of use

The JR-QP195 powerbank was created with comfort in mind, so it is distinguished by its slim and lightweight design, which makes it very easy to carry and transport. What's more, to make sure you always know how much power you have left, the device is equipped with 4-level color LED indicators.

Safety

The Joyroom device is a guarantee of safety. It has overheating protection, overvoltage protection, short circuit protection and overcharging protection. This gives you the assurance that your equipment is safe and will always be ready for use.
