Ref: 6956116742447

Mini charger PD 20W C-L Cable Joyroom JR-TCF02 (black)

PD 20W C-L Cable Joyroom Mini Charger JR-TCF02 (black)

Now you can charge your smartphone in even less time. The compact Joyroom JR-TCF02 charger supports PD 20W fast charging and features wide compatibility. It's also extremely lightweight and handy - it will even fit easily in your pocket. The kit also includes a 1m USB-C to Lightning cable.

#### Fast charging

Forget about the long wait until your smartphone or tablet is ready to use again. The charger supports various fast charging standards, including PD3.0, QC3.0, Samsung AFC and Huawei FCP. It also provides an output power of up to 20 W. All this means that you can charge your devices of choice in no time with it!

#### Compact design

The JR-TCF02 is the perfect combination of large capabilities and small size. The charger is incredibly compact - you can easily fit it in your purse, backpack or even pocket. Take it with you on vacation, on the train or to your dorm room and enjoy fast charging of your devices wherever you go!

#### Security

With the JR-TCF02 charger you can charge your devices not only quickly, but also safely. The product is equipped with a smart chip, it also received multi-level protection against overcurrent, overvoltage, overheating, short circuit and more. What's more, its housing was made of flame-retardant PC plastic.

#### Universal compatibility

The product is also distinguished by its wide compatibility. It allows you to seamlessly charge Nintendo Switch consoles, wireless headphones, smartwatches, as well as many models of smartphones and tablets. You will also successfully use it to power a wireless charger. The possibilities are almost endless!
