

Charger GaN Ultra 65W 2C1A Cable C-C Joyroom TCG01 (black)

Ref: 6956116742539

Charger GaN Ultra 65W 2C1A Cable C-C Joyroom TCG01 (black)

GaN Ultra 65W 2C1A Cable C-C Joyroom TCG01 Charger (black)

Experience that you only need one charger to charge up to 3 devices at the same time. The Joyroom TCG01 offers up to 3 ports (1x USB-A, 2x USB-C) and provides a total output power of up to 65 W. It also supports various fast charging standards and uses advanced GaN technology. The kit also includes a USB-C to USB-C cable with a length of 1.2 m and a power output of up to 100 W.

3 available ports

Charge all the equipment you need at the same time. The charger is equipped with 3 ports - 1x USB-A and 2x USB-C. This means that you can, for example, renew the energy of your smartphone, laptop and wireless headphones at the same time! The product will also make it easier for you to stay organized on your desk. You no longer need to use more chargers - now you only need one!

Fast charging

Don't wait too long until your devices are ready to use again. The charger supports such fast charging standards as PD3.0, PPS, QC3.0, Huawei FCP / SCP and Samsung AFC. It also offers a maximum output power of 65 W, so it will even charge a laptop without a problem. For example, it only takes about 2 hours to renew the energy of a MacBook Pro 13 using it!

Wide compatibility

The TCG01 charger is compatible with most popular devices. With its help you can easily charge, for example, Lenovo laptop, MacBook, DJI drone, GoPro camera, iPhone, smartwatch, wireless headphones, iPad, Nintendo Switch console and most popular smartphone models. With Joyroom, you'll say goodbye to limitations!

Safe and efficient work

Bet on proven solutions and the highest quality. The charger uses advanced GaN technology, so it can provide more efficient operation, faster charging speeds and better heat dissipation. Don't worry about it getting excessively hot! The solutions used also made it possible to significantly reduce the size of the device - thanks to its lightweight, handy design, you can always have it at hand.

Practical cable included

Get the most out of your charger. The kit also includes a USB-C to USB-C cable with a length of 1.2 meters. It provides charging power of up to 100 W, which means you can use it to renew the energy of your chosen device in no time. No more prolonged waiting! The cable is also extremely durable and resistant to damage.
