### Joyroom L-P251 PD 25W Mini Smart Charger (black)

Forget about the prolonged wait until your phone or tablet is ready to go again. The Joyroom L-P251 compact charger offers up to 25 W of power and supports various fast charging standards. The device is also very lightweight and handy - you can always have it at hand. The product also ensures safe use and stands out for its wide compatibility. The kit also includes a USB-C to USB-C cable.

### Fast charging

Use the L-P251 charger to charge the equipment you need in no time. The device supports such fast charging standards as PD3.0, QC3.0, PPS, Samsung AFC and Huawei FCP, and its power reaches 25 W. What does this mean in practice? Using it, you can charge a Samsung Galaxy S21 in about an hour, an iPhone 12 Pro in about 1.5 hours, and an iPad Pro in about 2 hours.

### Wide compatibility

No matter what kind of devices you use on a daily basis, the L-P251 charger will allow you to enjoy fast charging in almost any situation. The product is compatible with iPad 2020, iPad Mini, AirPods Pro and various iPhone models, among others. With its help you can also easily charge Android smartphones and even a MacBook Pro.

### Safety of use

The charger is equipped with a smart chip that is responsible for protecting the batteries of charged devices from damage. The L-P251 is also protected against overvoltage, overcurrent, overcharging, over-discharge, overheating and short circuit. All this means that you can use it without any worries!

#### Always at hand

Thanks to its lightweight, compact design, the L-P251 charger can accompany you almost anywhere. The product weighs only 52 g, and its dimensions are only 75.8 x 35.5 x 31.7 mm. You will easily find a place for it in your travel bag, purse or backpack! You no longer have to give up the ability to quickly charge your devices while on a trip!
