

Mini intelligent charger 30W dualport Joyroom L-QP303

Ref: 6941237144515

Mini intelligent charger 30W dualport Joyroom L-QP303

Mini smart charger 30W dualport Joyroom L-QP303.

Now you can charge your smartphone even faster. The Joyroom L-QP303 charger is equipped with 2 charging ports - USB-C and USB-A. It offers charging with up to 30 watts of power, and supports multiple fast charging protocols. It ensures safe use, and its compact design means you can take it with you anywhere.

Instant charging for 2 devices

You no longer have to wait indefinitely for your devices to be ready to use. The charger supports a range of fast charging standards, including QC 3.0, PD 3.0, AFC and SCP. It also offers charging with a maximum power of 30 watts. This allows you to charge your Samsung S21 to 100% in as little as one hour! What's more, the charger is equipped with 2 charging ports, so you can freely charge multiple devices.

Safety of use

Are you worried about the safety of your devices while charging? Don't be! The charger guarantees a high level of safety, and is equipped with a smart chip that automatically adjusts the charging parameters to your device. Multi-level protections effectively protect against overcharging, overloading, overvoltage or overheating. You can be sure that your device is safe!
