Cycling jacket Rockbros Size: L 15420381003 (Black)

Rockbros cycling jacket 15420381003 (black and red)

The Rockbros jacket will prove useful during outdoor sports. It effectively protects against wind and rain, and reflective elements ensure safety after dark. In addition, it has plenty of pockets and a fleece lining to protect against low temperatures. The jacket will be suitable for people wearing size L.

For the active

Cycling, running, mountain climbing, Nordic walking - the Rockbros jacket will work well in these and similar situations. It is equipped with holes for ventilation and extended sleeves with thumbholes. In addition, the extension at the back of the jacket protects the back from the cold while cycling.

Water and wind resistant

The Rockbros jacket is finished with a material that repels water and protects against wind. Therefore, you can use it in rainy or cold weather. The fleece lining further provides comfort, and the high collar protects your neck from the cold.
