Pisen MF-BHD01 wireless headphones (black)

Take your music experience to the next level. The Pisen wireless headphones are equipped with 13.6mm dynamic drivers, which are responsible for the high-quality sound. The powerful rechargeable battery guarantees up to 10 hours of use and the innovative Bluetooth 5.0 technology ensures a fast and stable connection to the selected device. The practical remote control will allow you to easily and conveniently operate the headphones without having to take your smartphone out of your pocket, and thanks to the built-in microphone you can talk freely on the phone. The headphones are distinguished by their IPX5 water resistance and lightweight, comfortable design, which guarantees long-lasting comfort.

Rediscover the magic of music

With Pisen headphones you will feel like you are at a real concert! The dynamic 13.6-millimetre drivers provide excellent sound quality. A wealth of detail, crystal clear and natural sound, as well as powerful, deep bass - this and much more awaits you with Pisen!

Enjoy your music for up to 10 hours

Now you can listen to your music freely during a long car journey or running workout without fear of sudden drainage. The durable 110 mAh battery provides up to 10 hours of continuous use. What's more, it can last up to 120 hours in standby mode. Charging them is made easy with the included USB-C cable - they'll be up and running again in just 1-2 hours!

### Say goodbye to lag and interference

Connection problems are a thing of the past! The headphones use advanced Bluetooth 5.0, which guarantees stable transmission free of any interference or lag. Pairing the headphones with the device of your choice is no problem, and you can connect them with up to 2 devices at the same time.

### Easy and convenient to use

Experience the ease of use of the Pisen headphones. They feature an in-line remote control that is integrated into the cable for easy operation. You can conveniently adjust the volume, pause and resume playback, change songs and manage calls. No longer do you have to reach for your smartphone every time - now all the important functions are at your fingertips.

### The comfort of your dreams

The ergonomic design of the headphones with soft silicone strap will provide you with unparalleled comfort even during prolonged use - no need to worry about discomfort or fatigue. The magnetic design will allow you to hang the headphones securely and comfortably around your neck. You will also find 3 pairs of interchangeable rubber bands included, so you can easily adjust them to suit your needs. The headphones also boast IPX5 water resistance - they're unafraid of sweat or rain.

### Talk freely on the phone

The Pisen wireless headphones will allow you not only to play your favourite songs, but also to make phone calls. They have built-in dual microphones that reliably capture every word you say. So you can be sure that your caller will hear everything you have to say.
