Cable to Lightning / PD / Type-C / 1.2m Joyroom S-M430 (whit

Joyroom S-M430 USB-C/Lightning 1.2m cable (white)

The 1.2m long USB-C/Lightning cable from Joyroom operates at up to 3A and supports the PD fast charging protocol. It's made of durable materials such as TPE and ABS, and thanks to its long-lasting plug, you can be sure it will serve you for a long time. The S-M430 also supports data transfer speeds of 480 Mbps and is MFi certified.

Fast power renewal

Forget about the long wait for your devices' energy to be renewed. Joyroom's USB-C/Lightning cable supports PD's fast charging protocol with 27 watts of power, so 30 minutes is enough for your iPhone 13's battery charge to reach 50%. What's more, the product is iOS-compatible and MFi-certified, so you can connect it to your iPhone, iPad and iPod without worry.

Instant data transfer

Using the S-M430, you'll be transferring documents, photos or videos to the device of your choice in just a few moments. The Joyroom cable allows you to transfer data at speeds of up to 480 Mbps.

Refined design

To ensure long life and reliable transmission, the S-M430 cable is made of robust materials such as TPE and ABS. As a result, it stands out

for its durability and resistance to damage.
