

Angle Cable to USB-A / Lightning / 1.2m Joyroom S-UL012A6 (b)

Angle Cable to USB-A / Lightning / 1.2m Joyroom S-UL012A6 (b)

Ref: 6956116725815

Cable for USB-A / Lightning / Angle / 1.2m Joyroom S-UL012A6 (blue)

Convenient, instant charging with the ability to play without overheating your phone? It's possible with Joyroom. The fast charging cable with a 90° curved connector allows you to use your phone while it's plugged into the charger. It provides an amperage of 3A and allows data transfer at 480 Mbps. It features a sturdy construction, does not tangle and is resistant to wear and tear.

Don't wait for your devices

The cable is designed with gamers in mind and allows you to freely use your phone while it charges. The specially curved tip makes your device fit perfectly in your hand in a horizontal position - you won't be bothered by a protruding cable anymore. The 3A current transmission allows for instant charging and helps protect the battery from overheating.

Instant data transmission

Zinc alloy makes the cable highly conductive, so it not only allows instant charging, but also data transmission in an extremely short time. You can transfer large files in between at speeds as high as 480 Mbps and refill your device's power at the same time.

Robust design

The USB-A and Lightning connectors have been coated with gold, making them more durable. The nylon braid has helped make the cable

more durable against pulling and tangling, and the use of advanced technologies allows for instant charging at lower temperatures. You can rest assured that your devices are safe. Also noteworthy is the unique design of the cable, which gives it an interesting character.

- Manufacturer
- Joyroom
- Model
- S-UL012A6
- Function
- Charging / data transfer
- Current
- 2.4A/3A
- Transmission speed
- 480Mbps
- Length
- 1.2m
- Color
- Blue
- Connector type
- Lightning
- Material
- Zinc alloy + PVC + braided nylon
