Foneng BL101 Mini TWS Wireless Headphones (White)

Looking for the perfect everyday headphones? The Mini TWS Foneng will do the job perfectly! Thanks to the large battery, you'll be able to enjoy your favourite songs for up to 5 hours! What's more, the Bluetooth 5.1 connection will let you get rid of cumbersome cables and ensure stable and continuous transmission.

Wireless connection

Looking for headphones for yourself, but fed up with the constant tangle of cables? Thanks to Foneng, this problem will disappear! BL101 headphones provide a stable wireless connection, thanks to Bluetooth 5.1. From now on, you can listen to your favourite music the way you like it best!

Long battery life

BL101 headphones are designed with comfort in mind, so they're equipped with a large battery which provides up to 5 hours of battery life! What's more, you can extend that to up to 12 hours with the included pouch! And don't worry if the battery runs out completely, as the headphones can be charged in just 1 hour and the case in 2.
