

Wall charger Foneng EU23 18W + USB-C to Lightning cable

Ref: 6970462514305

Wall charger Foneng EU23 18W + USB-C to Lightning cable

Foneng EU23 iPhone network charger

Foneng EU23 network charger supports PD 18W fast charging protocol, allowing you to renew your device's power in no time. In addition, the intelligent PCBA chip and the use of PC V0 are responsible for stable and safe charging. The product automatically recognizes the connected equipment and adjusts the charging parameters to it. In addition, a USB-C to Lightning cable is included.
