Foneng T240 2x USB wall charger, 2.4A + USB to Lightning cab

Foneng T240 Charger

Safely renew the power of up to two devices simultaneously. Foneng's T240 charger offers two USB ports and has a power output of 5V/2.4A. The product is made of durable materials, such as ABS and fire-resistant PC. A Lightning cable is included in the set.

Fast and safe charging

Forget about the long wait until your iPhone is charged and ready to use. The T240 will renew your phone's power in no time with its 5V/2.1A output power. What's more, in addition to automatically adjusting the power to the connected device, the charger also offers protection against overcharging, overvoltage and overheating. So you don't have to worry about the safety of your smartphone.
