Foneng X59 USB to Micro USB cable, LED, 3A, 1m (black)

Foneng X59 microUSB cable with LED illumination

Don't wait indefinitely for your smartphone to be ready to use again! The Foneng X59 cable offers fast charging with 3 A, so it won't take you long to charge your devices. It also allows you to renew energy and transfer data at the same time. You can use it to charge not only your phone, but also your wireless headphones, speaker or tablet without any problems. The carefully thought-out design will make it easy for you to disconnect and connect the cable, and the coloured LED backlighting will make it more comfortable to use after dark.
