USB cable for Lightning Foneng X81, 2.1A, 1m (white)

Foneng X81 iPhone USB cable

Looking for the perfect cable for you? Foneng X81 will suit your needs. With its help you will charge your equipment in no time. What's more, it will be more comfortable to use, thanks to its 1 meter length and more durable tip.

Perfect for your devices

One of the most important features of the Foneng X81 cable is its 2.1A input. It makes charging devices fast and efficient, saving users time. The cable is fully compatible with iPhones, so it connects seamlessly to Apple devices.

Refined design

The Foneng X81 is a cable that was designed with iPhone users in mind. With a Lightning-type end and a length of 1 meter, it allows you to charge, and sync your devices without any hindrance. Its unique feature is a more durable tip, which guarantees greater durability of the cable and reduces the risk of damage. The PVC material from which the cable is made is an additional advantage, which affects its durability and resistance to mechanical damage.
