

Cable USB to USB-C LDNIO LS553, 2.1A, 2m (white)

Ref: 5905316143920

Cable USB to USB-C LDNIO LS553, 2.1A, 2m (white)

LDNIO LS553 USB-A to USB-C cable (3 m)

Gain the ability to charge your USB-C-enabled devices faster. The LDNIO LS553 cable offers up to 2.1 A of power, and allows you to transfer files in no time. It also features durability and damage resistance - it will serve you well for a long time. Its length is 3 m.

Efficient and reliable performance

Do you want to charge your devices in the shortest possible time? The LS553 cable will not let you down! With a current of up to 2.1 A, your phone's energy will be renewed quickly - no more waiting too long. What's more, this product allows you to transfer files in a flash - use it to copy the photos or documents you need in the blink of an eye.

High-quality workmanship

Environmentally friendly materials have been used in the construction of the cable, giving it exceptional flexibility and durability. Even repeated bending or pulling will not pose a major threat to it! What's more, the product has been additionally reinforced and care has been taken to protect its most vulnerable parts. Furthermore, the cable will not become excessively tangled.
