

Wireless Speaker XO F23, Bluetooth 5.0, SD/TF, AUX, FM (Red)

Ref: 6920680872145

Wireless Speaker XO F23, Bluetooth 5.0, SD/TF, AUX, FM (Red)

XO F23 Wireless Speaker, Bluetooth 5.0, SD/TF, AUX, FM (red)

XO wireless speaker provides HiFi sound, so you can enjoy excellent sound. What's more, Bluetooth version 5.0 is responsible for fast and stable signal transmission. The 1,200 mAh battery guarantees a long operating time, and the top-mounted buttons are responsible for convenient operation.

Perfect sound

Discover your favorite songs anew with the XO F23. The wireless speaker has 2 drivers with a diameter of 45 mm, which translates into a sound rich in detail and bass tones.

Several connectivity options

The product connects to your compatible device in several ways, for greater freedom of use. You pair it with your equipment via Bluetooth 5.0, providing a stable signal of up to 10 meters. In addition, the speaker is equipped with a TF card slot and a USB port, so you can connect a flash drive to it, for example.

Durable battery, simple operation

The XO F23 speaker is equipped with a 1200 mAh battery, so you can use it for about 5 h on a single charge. To renew its energy, you

also need about 5 h. What's more, the buttons located at the top make it easy to operate the device. Using them, you can adjust the volume, skip songs, etc.
