Foldable solar charger Choetech SC001 19W 2xUSB (black)

Ref: 6971824970470

Foldable solar charger Choetech SC001 19W 2xUSB (black)

Choetech SC001 19W 2xUSB foldable solar charger (black)

Choetech SC001 is a solar charger that will provide you with constant access to power. With its help you will replenish the energy of two devices simultaneously. The product is distinguished by its foldable design and is built with 3 efficient solar panels. Its weight does not exceed 480 g, which makes it a perfect companion for any trip. It is compatible with most mobile devices, and its power reaches 19 watts. Its protection rating is IPX4, which makes it resistant to dust and water.

Powerful performance

The 3 panels that make up the charger are distinguished by an efficiency of 20-25%, which is almost 2 times more efficient than most products of this type. It can charge at up to 19 watts and is equipped with a system that recognizes plugged-in devices, so it automatically adjusts power and amperage to them.

Wide compatibility

Choetech SC001 foldable solar charger is equipped with 2 USB ports, making it successful in topping up the power of almost any mobile device. Since it adjusts power to your devices, it is suitable for charging tablets, smartphones, or smaller devices such as headphones, fans, smartwatches, etc. It comes with a USB cable for easy charging.

Compact design

The design of the solar charger is noteworthy - it consists of 3 ultra-thin panels. It is foldable and very lightweight. When folded, you can easily fit it in your backpack, and when unfolded you can hang it, for example, on a tree, bag or tent. Such a solution also makes it perfect for hiking. What's more, Choetech SC001 is IPX4-rated and is not afraid of dust or raindrops, so it will easily serve you in any conditions.
