Nillkin CamShield Armor Pro case for iPhone 11 (black)

The CamShield Armor Pro case by Nillkin is equipped with a functional finger grip, which you can use as a phone stand or a magnetic car grip. In addition, it has a sliding cover that protects the camera lens from scratches and dust. The product adheres perfectly to your smartphone, providing comprehensive protection. It is compatible with iPhone 11.

Convenience during use

You don't need to remove the case to renew your device's power - you can easily use the wireless charging function. In addition, the precisely cut openings for buttons and speakers make the case a perfect fit for your phone.

Thoughtful design

The unique shape of the case gives it an original character. The texture is extremely pleasant to the touch. In addition, the case is equipped with a practical rotating finger grip, which provides even more convenience during use. You can easily use the magnetic holder as a car grabber or a phone stand while watching your favorite series.

Comprehensive protection

The case is equipped with a sliding cover to protect the camera lens. In addition, the functional aperture allows you to maintain privacy

even when you are not using your smartphone's camera. High-quality materials used for the case guarantee the highest level of protection for your phone. What's more, the additionally reinforced corners prevent shocks.
