

Utility Knife HOTO QWMGD001

Utility Knife HOTO QWMGD001

Hoto universal cutter QWMGD001

Are you looking for a tool that will support you in your daily chores and at the same time be suitable for precision work? The Hoto multi-purpose knife is perfect for you! It will work equally well for opening parcels, cutting carpets and cards, but also for cutting strings. What's more, the blade is made of the highest quality materials and guarantees comfortable and safe use.

Excellent blade quality

The tapered blade made of SK5 has been sharply finished to make working with it even more comfortable. What's more, it is coated with an anti-corrosion layer, so you can use it in all conditions. It does not bend easily and its 8-section construction means that you will be able to use it for a long time.

Clever design

The Hoto multi-purpose knife has been developed with safety and comfort in mind, which is why it has been fitted with a special safety device to prevent the blade from accidentally slipping out of the housing. What's more, this tool adapts perfectly to the shape of your hand, making it easy to use. This makes it suitable for precise and detailed work.

Easier cutting

The Hoto knife is perfect for everyday tasks such as cutting paper and carpet or opening parcels. What's more, it has been equipped with

Ref: 6974370800086

a special slot to make cutting string easier. This means that you no longer need to pull out the entire blade, thereby protecting your hands from accidental cuts.
