

## Smart Gateway WiFi ZigBee NEO NAS-GW01B TUYA

Smart Gateway WiFi ZigBee NEO NAS-GW01B TUYA

Ref: 6924715900582

Central WiFi ZigBee gateway NEO NAS-GW01B TUYA

Make managing your smart home easy. The NEO NAS-GW01B gateway allows you to connect different devices together, control them from the TUYA / Smart Life app and automate their operation. All you need to do is pair the selected equipment with it and configure them accordingly! The product also enables data encryption, which translates into security of use. It also supports Wi-Fi and the ZigBee 3.0 protocol, so it can provide a fast, stable wireless connection.

Control your devices with your smartphone

The NEO gateway will allow you to add selected devices to the Smart Life app. This will give you the ability to remotely control the connected equipment and check its status, as well as receive useful notifications regarding its operation. Now you have everything you need at your fingertips!

Hassle-free configuration

Pairing your devices with the gateway will not be a problem, and you will receive a notification when the process is correctly completed. The product is compatible with a wide variety of equipment such as sensors, alarm sirens, smart sockets, light bulbs, switches and more. The possibilities are truly vast! What's more, the ZigBee 3.0 protocol guarantees a fast, reliable connection - poor signal quality is a thing of the past.

## Create intelligent scenes

Connect selected devices together and automate their operation. With the gateway, you can, for example, make the alarm siren sound when the motion sensor and door-opener sensor register that someone has entered the flat, the flood sensor detects a leak and the temperature sensor indicates that the room is too warm. Create smart scenes and enjoy more comfort in your home!

Brand

NEO

Model

NAS-GW01B

Colour

White

USB power supply

5 V / 1 A

Operating temperature

From -10°C to 55°C

Operating humidity

10-90% RH

Storage temperature

-10°C to 55°C

Operating humidity

10-90% RH

Communication protocol

ZigBee IEEE 802.15.4

Updates

OTA

Dimensions

78 x 78 x 25 mm

Application

TUYA / Smart Life
