### Remax Freezen wireless speaker

Remax Freezen is a wireless speaker that will let you enjoy the sounds of your favourite songs in high quality! The dual drivers and 8W power combined with the colourful backlighting will allow you to create a special atmosphere at any party with friends. The speaker can run continuously for up to 4 hours, and thanks to its clever design with a convenient handle, you can take it wherever you want.

### Fantastic sound quality

Whether you're listening to your favourite music or watching movies, the Remax RB-M26 speaker will give you great sound quality. With dual drivers and 8 watts of power, you'll enjoy clear and richly detailed sound, as well as powerful and punchy bass. Want even better results? Connect 2 speakers together!

### Listen to music for up to 4 hours

A long-lasting 1500 mAh battery ensures a long runtime. The speaker can run continuously for up to 4 hours on a single charge. In addition, in standby mode it is able to last for up to 35h! It will take you 2.5 hours to charge it and the USB port makes it easy.

### Wireless connection

Forget about tangled cables and enjoy unlimited freedom! An advanced 5.3 technology is responsible for a reliable connection to the

device of your choice, guaranteeing fast and stable transmission of up to 10 metres. You don't have to worry about delays or interference either! What's more, thanks to the USB port, you can plug in a memory stick, for example, without any problems.

#### Delightful design

Going for a picnic on the beach? Or are you organising a party with friends in the garden? Take your Remax speaker with you! Thanks to its carefully thought-out design with handle, you can comfortably carry the speaker wherever you want. Operating it won't be a problem for you either - you can use the panel on top of the speaker to adjust the volume or change songs. What's more, the device features colourful backlighting with 3 modes to add a unique atmosphere to your parties!
