

## Wireless speaker Remax Gwens

Wireless speaker Remax Gwens

Ref: 6972174150048

### Remax Gwens wireless speaker

The Remax Gwens wireless speaker is a device that will meet the needs of any music lover. With a power output of 9.5W and 4" drivers, it provides clear sound saturated with details. Bluetooth 5.0 is responsible for a reliable connection to the selected device, which provides a fast and stable signal. It has a duration of up to 5 hours and is easy to operate with the built-in control panel.

### Superior sound quality

Experience how good your favourite tracks can sound! With 9.5W of power and 4" drivers, the Remax Gwens wireless speaker provides high quality sound to satisfy the needs of many a music lover. Crystal clear sound, rich detail and powerful bass will make listening to music a real pleasure. Pair 2 speakers together for even better results!

### Long runtime

The built-in 1500 mAh battery provides up to 5 hours of uninterrupted music playback. In standby mode, it can last for up to 40 hours! So you can enjoy your favourite music for hours without having to recharge.

### Connect it the way you like it

The Remax Gwens speaker offers multiple ways to connect, including USB, TF, AUX and Bluetooth 5.0, so you can easily play music from

different sources such as a memory stick, TF card, smartphone or laptop. The Bluetooth 5.0 connection provides a fast and stable connection of up to 10 m, free of lag and interference.

Clever design, easy to use

High-quality ABS material has been used in the construction of the speaker, which features incredible durability. So you can be sure it will last a long time! The device also has a practical handle that makes it easy to carry. Operating the speaker will not be a challenge for you. You can comfortably stop and resume playback and adjust the volume using the built-in panel.
