Filter Freewell ND4 for GoPro HERO11/HERO10/HERO9

Freewell ND4 filter for GoPro HERO11/HERO10/HERO9

Protect the lens of your camera and increase the quality of your shots with Freewell's proposal. The ND4 filter provides protection from scratches, water and dust, and effectively reduces the amount of light coming through the lens. The product is made of high-quality optical glass and aluminum alloy. It is distinguished by its light weight - you do not have to worry about the load on your device. It is compatible with GoPro HERO 11, HERO 10 and HERO 9 cameras.

Effective performance

Freewell's ND4 filter provides effective glare reduction, so you can easily take shots that feature realistic colors and excellent contrast. The product also helps you control your camera's exposure settings when shooting or recording outdoors and offers 2-stage compensation to reduce the amount of light coming through the lens.
