

Filter Freewell ND64/PL for GoPro HERO11/HERO10/HERO9

Ref: 6972971861000

Filter Freewell ND64/PL for GoPro HERO11/HERO10/HERO9

Freewell ND64/PL filter for GoPro HERO11/HERO10/HERO9

Protect the lens of your camera and increase the quality of your shots with Freewell's proposal. The ND64/PL filter provides protection from scratches, water and dust, as well as effective polarization. It also reduces the amount of light coming through the lens. The product is made of high-quality optical glass and aluminum alloy. It is distinguished by its light weight - you do not have to worry about the load on your device.

Effective performance

The ND64/PL filter from Freewell combines the properties of a neutral and polarizing filter. As a result, it provides effective polarization and glare reduction, so you can easily take shots that feature realistic colors. The product also helps you control your camera's exposure settings when shooting or recording outdoors and offers 6-stop compensation to reduce shutter speed. It is perfect for sunny days.

Refined design

The Freewell product is made of high-quality optical glass and aluminum alloy. It provides protection against water, dust and scratch resistance.
