Mount Base PGYTECH Suction Cup

Ref: 6970801339286

PGYTECH mount base with suction cup

PGYTECH mount base will allow you to attach your smartphone or sports camera to various surfaces. Thanks to the flexible and thick suction cup with exceptional suction force, the mount stably holds the mount in a certain position even when driving on uneven surfaces. The suction cup perfectly absorbs shocks and can stay on flat surfaces for a very long time even under heavy load.
