

## Mechanical gaming keyboard Havit KB856L RGB with wrist pad

Ref: 6939119032951

Mechanical gaming keyboard Havit KB856L RGB with wrist pad

Havit KB856L RGB mechanical gaming keyboard with wrist pad

The Havit KB856L mechanical keyboard offers customizable backlighting, 12 multimedia keys to give you even more control. In addition, thanks to anti-ghosting, you can use several keys at once without worrying about a blockage. Convenience and speed of use as well as freedom of movement will surely allow every player to play even more effectively. In addition, it comes with a wrist pad for even more comfort.

### Individual style

The built-in backlight allows you to choose the brightness and color to create a personalized keyboard tailored to your gaming preferences. The individual color mode setting can be easily changed using dedicated key combinations.

### Media Keys

Fitted with 12 multimedia keys, you can quickly operate music, volume or web browser to save your precious time.

### Anti-ghosting

The keyboard is equipped with an anti-ghosting system, so that using many keys at once does not block other keys. This simplifies gameplay and helps you use complex key combinations without any hindrance.

#### Exceptional precision

The suspended keys make it even faster and require minimum effort to operate. Additionally, it allows for precise and much more accurate movements, even for the fastest players.

#### Convenience of use

Depending on your preference, you can use the keyboard with or without a wrist pad. The additional element increases the stability of your hand position and causes less fatigue. You can also detach it at any time, it only takes a few seconds.
