

## Cable USB Lightning Remax Jany Alloy, 1m, 2.4A (silver)

Cable USB Lightning Remax Jany Alloy, 1m, 2.4A (silver)

Ref: 6972174152844

Remax Jany Alloy USB Lightning cable, 1m, 2.4A (silver)

The Remax Jany Alloy is a reliable cable sure to meet the expectations of more than one user. The 2.4A intensity makes it take less time to charge your devices and the advanced protection guarantees safety when charging. The cable also allows data transmission speeds of up to 480 Mbps. The reinforced tip prevents the cable from breaking or cracking and the robust braid protects the cable from mechanical damage.

### Fast charging technology

Charging your smartphone doesn't have to take a long time! The Remax Jany Alloy cable offers fast charging with an intensity of 2.4A. This means that around 60 minutes of charging is enough to renew the energy in your iPhone 11 up to 90%! In addition, the cable allows simultaneous charging and file transfer at speeds of up to 480 Mbps.

### Bet on security

The cable allows not only fast, but also safe charging. The built-in smart chip automatically adjusts the charging parameters to the connected device, so you don't have to worry about damage. The Remax Jany Alloy also uses innovative technology that will automatically terminate the charging process for your device when the charge level reaches 100%, helping to prevent overcharging.
