

Wireless +2.4 G Vertical Mouse Delux M618G GX

Wireless +2.4 G Vertical Mouse Delux M618G GX

Ref: 6938820408826

Delux M618G GX wireless vertical mouse

Looking for a computer mouse that will make your daily work easier? The Delux M618G GX vertical mouse is sure to meet your expectations! The ergonomic design in the shape of a snail shell will provide the comfort you dream of while working. The mouse connects to a compatible device in the 2.4G band and offers adjustable DPI from 800-1600.

High precision

Now you can easily adjust the mouse's performance to your preferences. The Delux M618G GX allows you to adjust the speed up to 1600 DPI - just press the dedicated button. This makes the mouse perfect for both everyday computer work and gaming.

Wireless operation

You don't have to worry about the mouse draining quickly anymore! The built-in rechargeable battery with a capacity of 500 mAh provides an extremely long working time. The mouse can work for up to a week on a single charge if you use it for about 8 hours each day. You can conveniently renew the energy in the mouse with the USB-C cable included in the package.

Reliable connection

Pair the Delux mouse with your hardware and don't worry about interference! You'll connect the M618G GX to the device of your choice

using the 2.4G band. You'll find a USB nano receiver included to make your task easier. So you can enjoy a stable and fast connection.

Comfort of use

The M618G GX mouse is designed to provide maximum comfort during daily computer work. The specially designed snail shell-shaped design relieves strain on the muscles and joints in the wrist area. You no longer have to worry about persistent wrist pain or feeling tired! What's more, the mouse is covered with a non-slip material that guarantees a firm grip and increases control.
