### Princess Fondue Set 1.5 L

Prepare different types of fondue with the Princess brand fondue set. The device supports 4 modes, offers a 1.5-liter capacity and features 800 watts of power. The non-stick coating makes it easy to clean. The set comes with 8 forks, so you can enjoy a delicious dinner with your loved ones.

### An essential for every kitchen

With the Princess fondue set you will surprise your guests with a variety of flavors. The capacity of the pot is 1.5 l, so you can easily prepare various types of fondue, which can delight up to 8 people. Operation of the device is simple, and is further facilitated by the built-in thermostat.

### Attention to detail

Non-slip feet prevent the device from moving on the table, which ensures stability during use. Also noteworthy are the overheat protection and the power LED, which ensure safe use. The bamboo base allows convenient transportation of the fondue. The pot is made of aluminum and stainless steel, making it sturdy and not susceptible to damage.
