

Remax Marlik RC-191 cable USB-C to USB-C, 1m, 65W (white)

Ref: 6954851214458

Remax Marlik RC-191 cable USB-C to USB-C, 1m, 65W (white)

Cable USB-C do USB-C Remax Marlik, 1m, 65W (white)

The Remax Marlik is a high-quality cable that provides up to 65 W of maximum power. This allows you to charge your chosen devices in no time. It is also distinguished by a transmission speed of up to 480 Mbps, which allows you to transfer files quickly. The product is compatible with most devices equipped with USB-C ports - for example, smartphones, tablets or the Nintendo Switch console.

Enhanced design

The cable is made of durable TPE plastic, which provides it with great strength and flexibility while protecting it from mechanical damage. The length of the cable is 1 m, which allows you to freely use the equipment charged with it. What's more, the built-in chip intelligently recognises connected devices and adapts the charging parameters to them, protecting their batteries from damage.

Fast file transfer, fast charging

The Remax Marlik provides transmission speeds of up to 480 Mbps for efficient data exchange between devices. It will be ideal for transferring files such as videos, photos, documents or music. What's more, with up to 65 W of power, the cable allows you to quickly charge your smartphone or tablet. An excellent choice if you are looking for efficiency! Use it to charge your chosen equipment in no time at all.
