Cable USB-C do USB-C Remax REMA, RC-195, 1m, 65W (white)

The Remax REMA Lesu is a cable up to 65W that supports fast PD charging and allows you to transfer files at speeds of up to 480 Mbps. It has been made of durable aluminium alloy and flexible TPE material for a longer life. The length of the cable is 1 m, so you can freely use the devices connected with it.

#### Fast and safe charging

With a charging power of up to 65 W and support for the PD standard, the REMA Lesu cable allows you to quickly charge devices such as smartphones or tablets. It is also suitable for laptops - you can charge your MacBook Pro in around 3.5 hours. But that's not all! The built-in chip not only allows you to charge your devices quickly but also safely, protecting your batteries from damage.

#### Transfer files even faster

Do you often transfer files between devices? The Remax cable will reduce the time you need to do so! It offers transmission speeds of up to 480 Mbps, so you can copy the photos, videos, documents or music of your choice in the blink of an eye. No more long waits!
