

Wireless Bluetooth Speaker W-KING H10 S 80W (black)

Wireless Bluetooth Speaker W-KING H10 S 80W (black)

Ref: 6958917500738

W-KING H10 S 80W Bluetooth wireless speaker (black)

Listen to your favorite songs and enjoy high quality sound. The W-KING H10 S speaker supports Bluetooth 5.0 and offers several ports so you can connect other devices to it. What's more, it provides a recording function and works up to 10 h on a single charge. In addition, it is IPX6 water resistant and has a practical handle for easy carrying of the speaker.

High quality sound

The speaker is equipped with two 93mm subwoofers and two 31mm tweeters. As a result, you can become even more immersed in the world of music, discovering your favorite songs anew.

Several ways to connect

The W-KING H10 S connects to your compatible device via Bluetooth 5.0, so you can enjoy fast and stable signal transmission of up to 10 meters. In addition, the speaker has a built-in TF card slot, USB and AUX inputs, and ports for connecting a guitar and microphone.

Convenient operation

Operating the speaker will not cause you any problems. There are buttons on the top for skipping songs, stopping/resuming playback and knobs for easy volume control. You can also control the speaker remotely from the remote control - you don't have to get up from the

couch to adjust the operation of the W-KING H10 S to your needs.

Microphone included

Host karaoke in your own home. The kit includes a microphone that you'll connect to the speaker either wired or wirelessly. In addition, the LED display provides clear access to information such as frequency and operating status.
