

Wireless Bluetooth Speaker W-KING D8 MINI 30W (black)

Wireless Bluetooth Speaker W-KING D8 MINI 30W (black)

Ref: 6958917500929

W-KING D8 MINI 30W Bluetooth Wireless Speaker (Black)

The W-KING D8 Mini wireless speaker is perfect for your outdoor gatherings, city trips, or beach parties. It boasts a powerful 30W output, delivering natural and ear-pleasing sound. It's also waterproof with an IPX6 rating and provides up to 14 hours of playtime. You can connect to it in various ways, including via an AUX cable or through Bluetooth 4.2.

Exceptional Sound Quality

Pure sound, rich in detail, and a pronounced deep bass - these are just some of the advantages of the D8 Mini speaker. It's equipped with two 57mm drivers, providing a total output of 30W. Various EQ settings are also available, allowing you to customize the sound to your preferences. Discover your favorite songs with enhanced audio quality!

Long Playtime

With W-KING, you don't have to worry about the speaker running out of battery at the least convenient moment and spoiling your party. The D8 Mini model features a built-in durable battery, capable of playing music for up to 14 hours. In standby mode, the device can last up to 24 hours. Charging the speaker is quick, taking only about 3 hours.

Various Connectivity Options

Enjoy playing music from various sources. You can connect your tablet or phone to the speaker using an AUX cable. The D8 Mini model also supports TF cards and USB drives. The manufacturer has something special for wireless enthusiasts as well - it allows you to connect via Bluetooth 4.2 or NFC. Free yourself from cables and enjoy reliable transmission!

Connect Two Speakers

Want high-quality stereo sound? With W-KING D8 Mini, it's possible! Simply pair two speakers together - the devices will connect in about 10 seconds. Enjoy fast, seamless audio synchronization and achieve a combined output of up to 60W. With W-KING, you can liven up any party!

Durable Build

Planning a hiking trip or a beach picnic? Take the speaker with you! The D8 Mini model performs exceptionally well even in demanding conditions. It's waterproof with an IPX6 rating, so it can handle rain or accidental splashes. It also features a reinforced construction, making it more resistant to damage.

Always Within Reach

What else makes the D8 Mini speaker your perfect companion almost anywhere? Its lightweight, portable design! The device is remarkably handy, with dimensions of approximately 25.14 x 9.45 x 9.45 cm. It comes with a practical strap - you can easily adjust its length, and when you don't need it, simply detach and stow it away.
