W-KING D9-1 60W Bluetooth Wireless Speaker (Black)

The W-KING D9-1 wireless speaker is a perfect companion for your home, parties, or travel. It features a lightweight and portable design with a convenient handle, delivering a powerful 60W output. Enjoy high-quality sound and choose from various EQ settings. The device also offers up to 14 hours of playtime. Moreover, you can connect to it in multiple ways, including Bluetooth 5.0 or NFC.

Excellent Sound Quality

Turn your next party or road trip into a musical adventure with the D9-1 speaker. It's equipped with 2 subwoofers and 2 tweeters, ensuring remarkable detail and perfect harmony. It also boasts a power output of up to 60W, resulting in a strong, clear sound. You can even pair two speakers together for fantastic stereo sound and a total power of 120W.

Multiple Connection Options

Play music your way. This speaker supports TF cards and allows you to connect various devices via an AUX cable. If you prefer the convenience of wireless solutions, the D9-1 model also enables smartphone pairing via Bluetooth 5.0 or NFC. Enjoy fast, stable signal transmission and cut the cords. Now you can play your favorite playlists or take phone calls with even more freedom.

Efficient Battery

Listen to music all day without worrying about the speaker running out of power. The D9-1 model comes with an efficient, 12000 mAh battery, providing up to 40 hours of playback time before needing a recharge. Moreover, it doubles as a power bank, allowing you to charge your phone on the go. This feature comes in handy when you're away from home!

Perfect Travel Companion and More

Whether you're heading to a barbecue with friends or planning a mountain cabin getaway, take this speaker with you and let your favorite songs enhance the experience. The D9-1 stands out with its rugged construction and IPX6 water resistance. It can handle rain or accidental splashes with ease. Plus, the practical handle makes it easy to carry.
