

Wireless Bluetooth Speaker W-KING D10 70W (black)

Wireless Bluetooth Speaker W-KING D10 70W (black)

Ref: 6958917501025

W-KING D10 70W Wireless Bluetooth Speaker (Black)

Create an unforgettable atmosphere at your next party. The W-KING D10 wireless speaker delivers a powerful 70W output and boasts long battery life. You can play music in multiple ways, including via Bluetooth 5.0 or from a TF card. It's also equipped with colorful lighting and a port for connecting a microphone, making it great for karaoke parties. The device is IPX6 waterproof and can even serve as a power bank.

Fantastic Sound Quality

Having a BBQ with friends or a home birthday party? The D10 speaker will liven up any event! This device offers an impressive 70W output, providing loud, clear sound and deep, powerful bass. Want an even more immersive sound experience? Adjust the EQ settings or pair two speakers together for a combined power of 140W and fantastic stereo sound.

Up to 42 Hours of Playtime

No need to worry about the speaker running out of battery and spoiling the fun. The D10 model is equipped with an exceptionally efficient 15,600mAh battery, allowing it to play music for up to 20 hours on a single charge. Moreover, it can also be used as a power bank. Charge your phone and stay connected with loved ones!

Enhanced Design

Take the speaker to the beach, your cottage, or the park without worry. The device features a robust, reinforced construction and has an IPX6 waterproof rating, so it can handle shocks, rain, or accidental splashes. The D10 model is relatively lightweight and easy to carry. Its dynamic lighting comes in seven available colors, allowing you to create a great atmosphere effortlessly!

Host a Karaoke Party

Love singing? Host a karaoke party at home or in your garden! The speaker is equipped with a special 6.35mm jack for connecting a microphone. Choose your favorite song and showcase your vocal skills! With W-KING, you'll unleash the music star within you. Note: The speaker is only compatible with dynamic microphones.

Multiple Connection Options

Conveniently play music from your preferred source. The speaker supports TF cards, or you can connect your smartphone or tablet via an AUX cable. Prefer wireless solutions? No problem—connect to the speaker via Bluetooth 5.0 and enjoy fast, stable transmission. Forget about delays and signal issues—with W-KING, you can comfortably listen to music or take calls without worrying about cables!
