Wireless Bluetooth Speaker W-KING X10 70W (Black)

Heading to a barbecue with friends or planning a karaoke party? The W-King X10 wireless speaker is your perfect companion for these and many other occasions! With a powerful 70W output, it delivers fantastic sound quality. You can connect to it in multiple ways, including via Bluetooth 5.0. The speaker is also IPX6 waterproof and offers a runtime of 7-20 hours.

Multiple Connection Options

Enjoy music from various sources with ease. This speaker is compatible with TF cards, USB drives, and you can also connect your device to it via an AUX cable. If you value freedom, choose wireless solutions! The X10 model supports Bluetooth 5.0, ensuring a fast, stable connection within a 10-meter range. Say goodbye to cables and have a blast!

High-Quality Sound

Take your parties to the next level. This speaker offers up to 70W of power, delivering loud and clear sound that's pleasing to the ears. It's equipped with two 93mm subwoofers and two 31mm high-frequency drivers, providing powerful bass and crisp high tones. You can also choose from different EQ modes to customize the sound to your liking.

Long Battery Life

No need to worry about the speaker running out of battery too quickly and spoiling your party. With the W-King, you can listen to music for as long as you want! The X10 model comes with an efficient, 15600mAh battery, offering a runtime of 7-20 hours on a single charge. To recharge it, simply use the included USB cable.

Smart Design

This speaker stands out with its durable, robust construction, allowing you to use it at home or in various outdoor settings. Planning a garden barbecue or a beach party? The X10 model is up for the challenge! Moreover, it features IPX6 waterproofing, so you don't have to worry if it starts to rain or if something spills on it accidentally.

Perfect for Karaoke

Love singing? Want to organize a karaoke party? The X10 speaker has got you covered! You can confidently showcase your vocal skills solo or in a duet. The speaker allows you to connect two microphones. Just get a second microphone, find a singing partner, and impress your friends with new versions of your favorite songs!
