

## Car charger 2x USB, Remax RCC226, 2,4A

Car charger 2x USB, Remax RCC226, 2,4A

Ref: 6972174155227

2x USB car charger, REMAX RCC226, 2.4A

Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast charging of your devices, and what's more, thanks to its small size, it will also be convenient to store. Now you get the assurance that your devices will always be ready for use!

### Fast charging

The REMAX RCC226 car charger is distinguished by its fast charging power of 2.4A. With its help, your devices will regain a full battery in the blink of a window. What's more, it is equipped with two USB interfaces, so it allows you to charge the driver's equipment as well as the passenger's at the same time. You no longer have to worry about damaging them, as the REMAX equipment ensures safe charging without overheating.

### Thoughtful design

The REMAX RCC226 charger was created with comfort in mind, so it was made from the highest quality aluminum alloy. This ensures durability and resistance to damage. What's more, due to its compact design it is very handy and easy to store. From now on you can always have it with you!

#### Safety and comfort of use

The REMAX RCC226 is also a guarantee of safety, as this charger is equipped with a number of protections such as low-voltage, overcharging, over-current and short-circuit protection. What's more, thanks to its universal 12V-24V DC input, it will fit many vehicles including cars or trucks.
