USB-C, 2x USB car charger, REMAX RCC331, 54.5W (black)

Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast and safe charging of your devices. Now you get the assurance that your devices will always be ready for use!

Fast charging

REMAX RCC331 is a car charger that provides fast charging with 54.5W of power. In addition, it is equipped with 3 inputs, including 2x USB and 1x USB-C, which allows you to charge several devices simultaneously. What's more, you'll be able to monitor the current voltage status with the LED display. Fast charging is not only convenient, but also saves time, especially when you need to charge your devices in a hurry.

Even more possibilities

A modern REMAX charger can offer you many additional features, such as automatic playback from a TF card, built-in FM radio function, high-definition microphone and fast hands-free call handling. These additional features make the charger a more versatile tool for use while driving.
