Do you often travel by car? Do you want your equipment to always be ready for use? The REMAX car charger will be perfect for you! It will provide fast and safe charging of your devices. Now you get the assurance that your devices will always be ready for use!

Fast charging

The REMAX RCC339 car charger is the perfect solution for those looking for fast and stable charging of their mobile devices. It stands out with its 88.5W fast charging power. With its help, your equipment will regain full energy in no time! What's more, it is equipped with 3 interfaces - USB and 2 x USB-C, so it allows you to charge several equipment at the same time.

Even more possibilities

The REMAX RCC339 car charger is a unique device that offers more possibilities thanks to a special cigarette lighter input adapter. This gives you the possibility to connect one more car charger, allowing you to expand the charging ports. This innovative solution allows you to conveniently and quickly charge multiple devices at the same time, without having to search for additional outlets in your car. This is an ideal solution for people who appreciate convenience and practicality when traveling.

Universal

The REMAX RCC339 car charger is a compact and versatile solution for different types of vehicles. Its compact size makes it fit perfectly into the interior space of your car, regardless of its type. The REMAX RCC339 is compatible with cars, SUVs and trucks, thanks to its universal 12V-24V DC input
