Remax wireless sports headphones (black)

Get unlimited freedom and full control of sound. Remax wireless headphones were created with sports enthusiasts in mind. They support a reliable Bluetooth 5.2 connection, offer 5 EQ settings and provide water resistance. Thanks to their ergonomic design and silicone neck strap, their use is extremely comfortable. The powerful battery allows up to 8 hours of use on a single charge.

5 EQ settings

Remax headphones will allow you to get the best out of any song. Up to five EQ sound effects will be at your disposal, allowing you to adjust the sound to your mood or style. Do you like rock? Or are you a jazz or country music lover? Do you prefer pop? No problem! Remax provides all these modes, plus a standard mode. The choice is yours! High-quality 10-millimeter drivers provide clear and detailed sound that will take you to another dimension.

Ergonomic design

The sleek, magnetic design of the headphones, which combines futuristic elements with a classic look, will delight all users. You don't have to worry about discomfort - the headphones offer a neck strap that won't irritate your skin and allows you to use them comfortably all day long. The equipment is also water and dust resistant.

Listen to music without interruption

Enjoy your favorite music all day long. With a durable 90 mAh battery, the Remax headphones can run for 8 hours on a single charge. The hardware was created to accompany you throughout the day - from morning yoga to an evening meeting with friends! What's more, Bluetooth 5.2 technology ensures a reliable and stable signal. Forget about interference!
