

## Remax Hunyo RT-E710 lamp (white)

Remax Hunyo RT-E710 lamp (white)

Ref: 6954851223818

### Remax Hunyo lamp (white)

Remax Hunyo lamp is a unique proposal for those who appreciate functionality and original design. It was made with multiple uses in mind, making it not only a practical device, but also an elegant decorative element in any interior. It provides gentle illumination that allows you to create a unique atmosphere, ideal for reading, working or relaxing. You can customize its operation according to your needs by choosing one of 3 brightness modes. Its magnetic design means you can mount it anywhere. What's more, the product is 360° adjustable.

### One lamp - a range of possibilities

What distinguishes the Remax Hunyo lamp is its versatility and high functionality. You can use it as a desk lamp and increase your comfort while working or studying. It is also possible to use it as a wall or closet light to create a soft light in various rooms. The device can also be used as a night light, which you can conveniently place on a desk or shelf to provide reading conditions before bedtime. In addition, it will work perfectly as a flashlight. The possibilities are indeed many!

### 3 brightness levels

Enjoy the soft, eye-friendly light of 4000K temperature provided by Remax Hunyo. You can easily adjust the brightness of the lamp to your needs by selecting one of 3 levels. Operation is simple and intuitive - just touch the device! So you can easily create the right light

for your work or relaxation, without worrying about eyestrain. What's more, the lamp allows you to freely adjust the angle of the light.

#### Practical solutions

You can power the Remax lamp via USB. The device also has a 1200 mAh lithium battery, the energy of which you can renew in several ways. Among other things, you can connect it to a powerbank, computer or charger. This gives you the ability to use the lamp outdoors or in places where there is no easy access to a power source.
