Remax Requin RT-A500 PRO humidifier (green)

Ref: 6954851226888

Remax Requin Humidifier (green)

Remax Requin is a stylish humidifier that will provide optimal moisture levels in your room. Thanks to the advanced evaporation technology, you will avoid dry mouth and throat, and your skin will be moisturized and radiant. The 1.2-liter reservoir provides long-lasting humidification, and the additional night light function will illuminate your interior with a beautiful and soft light. It's not just a humidifier, it's also a beautiful addition to your home. Enjoy a healthy and comfortable environment with Remax Requin!

For the sake of your health

A dry indoor climate can cause skin and throat irritation and respiratory problems, especially in the winter. With the Remax Requin humidifier, you will take care of optimal air humidification and bring relief to your body. And what's more, you can add your favorite essential oils to it to bring wonderful scents into your room. Enjoy a relaxing aroma that will help you unwind after a hard day.

Practical night light

Remax Requin supports 2 lighting modes, so you can adjust its operation according to your mood or needs. Now you can fall asleep wrapped in pleasant light, while enjoying optimal air humidification and a beautiful fragrance.
