

## Wireless charger Cygnett 10W (white)

Wireless charger Cygnett 10W (white)

Ref: 0848116027159

Cygnett 10W wireless charger (white)

Looking for a functional, universal wireless charger? Opt for a Cygnett brand device! With up to 10 W of power, you can quickly charge your chosen devices, while the non-slip surface provides more stability. The device is also distinguished by its wide compatibility and stylish, minimalist design.

Charge your phone in the blink of an eye

Don't wait too long until your phone is ready to use. The charger offers up to 10 W of power, so it can charge your devices of choice in the blink of an eye. About to leave the house and your smartphone is close to draining? No problem - with Cygnett you will charge it in no time!

Improved design

Do you often choose devices that stand out not only for their functionality, but also for their remarkable design? The Cygnett charger is sure to appeal to you! The product features a modern design and is equipped with a long 2-meter cable, which allows you to use it freely. What's more, the non-slip surface provides charged smartphones with greater stability.

Compatible with your devices

The charger is compatible with most devices that support Qi wireless charging. With it, you can easily charge your iPhone, AirPods or Samsung Galaxy, for example. You also don't need to remove your smartphone from the case - the product can charge phones in cases up to 3 mm thick.
