Cygnett USB-C PD 20W mains charger (white)
Stock up on a charger that will allow you to charge your chosen equipment in the shortest possible time. The Cygnett-branded device provides up to 20 W of power and enables fast charging. It also stands out for its wide compatibility and compact size - you can always have it at hand. The charger is equipped with a USB-C port.

Fast charging
Forget about the prolonged wait until your phone is ready to use again. The charger allows you to charge your devices with up to 20 W of power. What does this mean in practice? For example, it only takes about 30 minutes to charge an iPhone 12 from 0% to 50% using it.

Compact design
Don't sacrifice the ability to quickly charge your devices when you go on vacation or on a business trip. The Cygnett charger is very light and compact - it can accompany you almost anywhere. It weighs only about 50 g, and its dimensions are 43 x 70 x 30 mm. You can easily fit it in your purse or backpack!

Compatible with your devices
With just one small charger, you can charge most of your devices in no time. The Cygnett brand product is compatible with many
