

Car charger Cygnett USB, USB-C 20W (black)

Car charger Cygnett USB, USB-C 20W (black)

Ref: 0848116030739

Cygnett USB, USB-C 20W car charger (black)

Stock up on a car charger that will allow you to charge your chosen devices in a short time. The Cygnett product provides up to 20 W of power and supports standards such as PD and QC3.0. It is equipped with 2 ports - USB-C and USB-A, so you can connect 2 pieces of equipment to it at the same time. It also stands out for its compact, robust design - it will serve you well for a long time.

Fast charging

Are you facing a car trip? Charge your devices before you reach your destination! The charger's USB-C port supports 20W PD fast charging, and the USB-A port supports 20W QC3.0 standard. That way you don't have to wait too long until your equipment is ready to use! For example, it only takes about 30 minutes to charge an iPhone 13 from 0% to 50%.

Charge 2 devices simultaneously

Do you have 2 devices that need charging, such as a phone and headphones? Or maybe you want to charge 2 smartphones - yours and your passenger's? No problem - thanks to the 2 available ports it is possible to connect 2 devices to the charger at the same time. No one has to wait for their turn anymore!
