

## Wall charger Cygnett 2x USB-C 35W (white)

Wall charger Cygnett 2x USB-C 35W (white)

Ref: 0848116037912

Cygnett 2x USB-C 35W mains charger (white)

Charge your devices in even less time. The Cygnett charger provides power up to a maximum of 35W and is equipped with 2 USB-C ports, so you can connect 2 devices to it at the same time. The product also supports fast charging and is distinguished by its compact design - it will also prove useful when traveling.

Charge 2 devices simultaneously

You no longer need more chargers to charge more of your devices. Cygnett's product is equipped with 2 USB-C ports, so it can charge 2 devices at the same time. For example, you can connect a smartphone and a tablet, wireless headphones and an iPad, or 2 phones - yours and another household member's.

Fast charging

The charger supports PD and PPS standards - with its help you can charge your devices in no time. What's more, the product provides up to 35 W of power and intelligently distributes it. If you connect two devices to it, the charging parameters will be automatically adjusted to ensure maximum efficiency.

Lightweight and compact

Thanks to its compact, lightweight design, the charger can serve you not only at home, but also, for example, on vacation, on the train or in the dormitory. The device weighs only about 70 g, and its dimensions are 51 x 76.4 x 30 mm. You can easily fit it in your travel bag, backpack or purse - take it with you wherever you need it!
