

Case for locator AirTag Cygnett MyTrack (black)

Case for locator AirTag Cygnett MyTrack (black)

Ref: 0848116032467

Cygnett MyTrack AirTag locator case (black)

If you are looking for a stylish and practical case for your AirTag locator, Cygnett's proposal is sure to meet your expectations! The product is designed for users who appreciate functionality and aesthetics. It is made of silicone that is pleasant to the touch. It is also durable and effectively protects the locator from scratches.

Refined design

The Cygnett MyTrack case is slim and lightweight - you can easily attach it to your keys or bag. This way you'll always have your AirTag close at hand without worrying about its safety. The anti-bacterial coating allows you to keep the product clean.
