Omoton KB515 BT wireless keyboard (white)

Do you want to improve your work? Do you need the right tools for that? Omoton wireless keyboard will be perfect for you! With its built-in 450 mAh battery, it will provide you with a long working time of up to 400 h. What's more, with the help of Bluetooth you can connect to as many as 3 devices simultaneously! With Omoton you won't have to limit yourself anymore!

Even more possibilities

Omoton keyboard is distinguished first of all by the fact that it allows you to connect as many as three devices at the same time, which is a great convenience for those working on multiple computers or tablets. It was designed with Mac OS 10.10 or higher users in mind, which means that all function keys are customized for Mac OS users. This makes working on the keyboard even more intuitive and efficient.

Wireless connection

Thanks to its Bluetooth connectivity, the Omoton KB515 keyboard is very easy to use and does not require any additional cables or wires. You can pair your device with it in just a few seconds, which greatly speeds up the work process and allows you to start using the keyboard immediately. Whether you need a keyboard for work, study or entertainment, the Omoton KB515 is sure to meet your expectations and guarantee comfortable and efficient work.

### Comfortable to use

Omoton KB515 wireless keyboard is a device that provides not only great functionality, but also comfort of use. It is lightweight, compact and ergonomic, moreover, it has been designed for maximum working comfort. Thanks to its shape, the Omoton KB515 keyboard perfectly adapts to the user's hand, which ensures a comfortable and natural position of the hands while typing. In addition, this keyboard features long key life, which means you can use it for many years without worrying about wear and tear.

### Power supply

The keyboard is equipped with a 450 mAh battery, which allows you to use it for as much as 400 hours continuously. This makes it ideal for people who spend a lot of time in front of the computer, as well as for those who need a mobile device that runs for a long time on a single charge. What's more, you'll have it fully charged in as little as 2-3 hours, thanks to the USB-C cable. Omoton KB515 wireless keyboard is functionality and convenience at the highest level, so you can enjoy your device without worrying about interruptions.
